Torch

It has truly been our pleasure serving as editors of the 1989 Torch. We realize that a lot of hard work and great effort have gone into this yearbook. We hope that this book contains your best memories.

We would like to thank all of the staff members for their time spent working on the yearbook. We hope it has been a wonderful experience for them as well.

We would also like to give a very special thanks to our advisor, Christy Honaker. She was great to work with. She devoted a great deal of her free time to helping us. We appreciate all the encouragement and support. We wish the best of luck to Mrs. Honaker and next years' staff.
